SKIN DISEASE

CURED BY

Ayer's Sarsaparilla

Mr. Geo. W. Burnett, Keelstown, Va., writes, as follows:

"Shortly after leaving college, I was troubled with a skin disease which showed itself first at the neck, then at the face, and finally at the hands. It was a most distressing and painful condition, and I had to leave my studies for several months. I tried many remedies, but all failed. I then read of Ayer's Sarsaparilla, and bought a bottle. I took it for a few days, and the skin began to clear. I continued to take it, and in a few weeks the disease was completely cured. I am now as healthy as ever, and my skin is clear and smooth. I can truly say that Ayer's Sarsaparilla is a most valuable remedy for skin diseases. I have recommended it to many of my friends, and all have been cured. I am now a strong advocate of this medicine, and I hope it will do good for many others who are afflicted with skin diseases. I am, Sir, your obedient servant, Geo. W. Burnett."
